NOTHING QUITE LIKE IT... Serenity, peacefulness and total privacy are found at this 130+ acre ranch nestled in the mountains of east TN. At an elevation of 2700 ft., the views are absolutely gorgeous. The current owners have used the ranch as a home for horses and all of the facilities for equine usage are there. Features of this outstanding property include the main home which is built into an exceptional barn facility. The wonderful design affords breathtaking views of the surrounding mountains and valleys. Features include a great room with massive stone fireplace, kitchen, master bedroom and bath. The barn has 4 stalls with run outs, wash down, tack area and feed room. Also on the property is a detached garage lower on the property for mower storage of mowers, etc. The third building consists on a large garage / workshop, capable of storing a motor home or other large vehicle, a second bay that has been converted to a man cave and 2 apartments overhead, one two bedroom and the other with one bedroom. This is one of the properties you have to see to believe. A once in a lifetime opportunity!
